## **Actuarial valuation confirms the security of your Pension Plan**

The 2007 *Actuarial Valuation Report* returned positive news about the financial health of your Plan. The Basic Account has a \$438 million surplus as of December 31, 2006. As a result, **no change in contribution rates is necessary.**

The security of your Pension Plan is our priority. You can learn more about *Your Paycheque for Life* at member retirement seminars happening near you. The seminar schedule and registration forms are available online.

You can read the actuarial valuation report, learn more about the member education seminars and estimate your future Municipal pension at [mpp.pensionsbc.ca](http://mpp.pensionsbc.ca).
